

HIRAL BRASS INDUSTRIES

ABOUT US

» 30+ Years of Delivering High-Quality Brass Solutions

With a proud legacy rooted in Jamnagar, **Hiral Brass Industries** has been a trusted manufacturer of high-precision brass components for over three decades. Our reputation is built on a strong foundation of engineering excellence, customer trust, and an unwavering commitment to quality craftsmanship.

Over the years, we have evolved into a globally recognized name, offering a comprehensive range of custom-engineered solutions including brass forged parts, electrical components, temperature sensor fittings, gas valves, and aluminum and MS components. Our strength lies in our ability to combine traditional expertise with modern manufacturing practices, delivering components that meet exact specifications across industries like automotive, electrical, industrial, and plumbing.

We pride ourselves on maintaining a flexible and responsive approach to every customer requirement, whether it's a small batch or a large-scale order. From raw material selection to final inspection, every step reflects our dedication to precision, durability, and value.

Mission :

To deliver world-class brass components with precision, performance, and integrity on time, every time.

To be a globally admired manufacturer of brass precision parts known for quality, trust, and forward-thinking solutions.

Vision :

WHY CHOOSE US

Customer Satisfaction :

We prioritize clear communication, quality service, and reliable delivery to exceed customer expectations every time.

Operational Excellence :

Our advanced infrastructure and skilled team ensure efficient, precise, and consistent manufacturing processes.

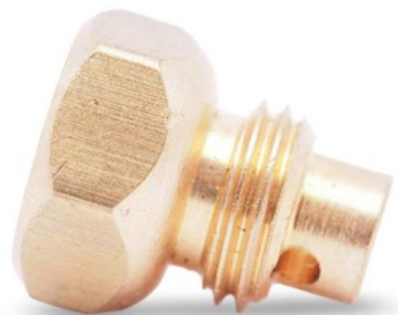

Competitive Advantage :

We deliver high-quality brass components at competitive prices, offering excellent value without compromising standards.

OUR PRODUCTS

Brass Precision Components

Brass Forged Components

Brass Temperature Sensor

Brass Fittings

Aluminum and MS , SS components

Aluminum Precision Components

Aluminum Precision Components

MS machine Components

Brass Tyre Valves

All Metal Clamp in Replacement Valves

Car Tyre Valve

Emergency Valve

MotorCycle Tyre Valve

Scooter Tyre Valve

Tractor Tyre Valve

Truck Tyre Valve

Brass Tyre Valves

Rubber Base Valve

Truck & Bus and light
Commercial vehicle Valve

Metal Base Clamp
Tyre Tubeless Valve

Passenger Car Valve

Scooter & Rickshaw Valve

Motorcycle and Light
Weight Vehicle Valve

Curing Bag Valve

Brass Tyre Valves

Tyre Tube Valve Stem Without Rubber Base

Motor Cycle Stem

Scooter Tyre Tube Valve Stem

Truck Tyre Valve
Rubber Base Stem

Truck Tyre Tube Valve Stem

Valve Cap

Valve Caps

Our Machinery

- CNC Machinery
- Traub Machine
- Threading Machine
- Turning Machine
- Drilling Machine
- Automatic Machine
- Special Purpose Machine
- Wire draw machine

Measuring Instruments

- Micrometer
- Vernier Caliper
- Thread Gauge
- Magnascope Machine
